# 2008 UEHLING LECTURES

# 2008 UEHLING LECTURES

Dr. David T. Uehling was born and raised outside Chicago, and completed his urology training at Northwestern. Following a successful stint as a fellow at Chicago Children's Memorial Hospital, he joined the staff at the University of Wisconsin in 1965. Clinically, Dr. Uehling developed a statewide practice in pediatric urology, and has served the children of Wisconsin admirably for 40 years.

Throughout his career, Dr. Uehling distinguished himself in research, with continuous NIH funding in the treatment of urinary tract infections. In 1983, Dr. Uehling assumed the chair of the division of UW, and has grown the division into one of national standing. Upon stepping down as division chairman in 2001, Dr. Uehling continues to serve the new Department as an Emeritus Professor. Dr. Uehling has impacted the lives of many patients, urologists and scientists throughout the world. This meeting in his honor is a small way to emphasize all of his accomplishments.

# Multidisciplinary Trends in Prostate, Kidney and Bladder Cancer

## INTENDED AUDIENCE

This conference is intended for urologists and other interested health care professionals.

## OBJECTIVES

At the conclusion of this activity, participants will:

- Identify new concepts in the surgical management of locally advanced renal cancer and partial nephrectomy
- Discuss active surveillance, prevention and treatment of prostate cancer
- Review oncologic and functional outcomes in robotic surgery for prostate and bladder cancer
- Apply better understanding of treatment and reconstructive options for patients with bladder cancer

## STATEMENT OF NEED

There exists a deficit of exposure to and understanding of many current trends in minimally invasive approaches to urologic cancer management as well as controversial issues in the treatment of renal and bladder cancer. Our lecture series will help to clarify these issues focusing on outcomes data and multidisciplinary discussions which will better enable attendees to manage their own patients.

## THE 2008 UEHLING LECTURER

JOHN A. LIBERTINO, MD  
Professor and Chairman, Department of Urology  
Lahey Clinic Medical Center  
Tufts University School of Medicine  
Burlington, Massachusetts

## UNIVERSITY OF WISCONSIN SCHOOL OF MEDICINE AND PUBLIC HEALTH FACULTY

UNIVERSITY OF WISCONSIN SCHOOL OF MEDICINE AND PUBLIC HEALTH FACULTY

HOWARD H. BAILEY, MD  
Associate Professor of Medicine, Section of Hematology and Oncology

JASON R. GEE, MD  
Assistant Professor of Urology, Department of Urology

SEAN HEDICAN, MD  
Associate Professor of Urology, Department of Urology

DAVID F. JARRARD, MD  
Professor of Urology, Department of Urology,  
The John P. Livesey Chair in Urologic Oncology

GLENN LIU, MD  
Assistant Professor of Medicine, Section of Hematology and Oncology

TIMOTHY MOON, MD  
Professor of Urology, Department of Urology

STEPHEN Y. NAKADA, MD  
Professor and Chairman, Department of Urology,  
The David Theodore Uehling Professor of Urology

MARK A. RITTER, MD  
Associate Professor of Human Oncology and Medical Physics

DAVID T. UEHLING, MD  
Emeritus Professor of Urology, Department of Urology,  
and Past Chairman of Urology

JOHN WEGENKE, MD  
Clinical Professor of Urology, Department of Urology

GEORGE T. WILDING, MD  
Donald and Marilyn Anderson Professor of Medicine,  
Head, Medical Oncology Section, and  
Director, University of Wisconsin Paul P. Carbone  
Comprehensive Cancer Center

## SCHEDULE OF EVENTS

Friday, October 17, 2008

### AM

8:30 Registration/Continental Breakfast

#### Session 1. Advances in the Surgical Management of Renal Cancer

9:10 Introduction  
*Stephen Y. Nakada, MD*

9:15 Non-clamping Partial Nephrectomy/RCC with Venous Extension  
*John A. Libertino, MD*

10:15 Break

10:30 Case Presentations

11:30 Lunch

#### Session 2. Prostate Cancer - Active Surveillance, Prevention and Treatment

### PM

12:30 Is Active Surveillance Appropriate?  
*John A. Libertino, MD*

1:10 Improving Outcomes with Robotic Prostatectomy  
*David F. Jarrard, MD*

1:30 Prostate Cancer: Technology and Biology-Enabled Treatment Strategies  
*Mark A. Ritter, MD*

1:50 Chemoprevention of Prostate Cancer: An Update  
*Howard H. Bailey, MD*

2:10 Panel discussion  
Moderator: *David Jarrard, MD*  
Panel: *John Libertino, MD; Sean Hedican, MD; Mark Ritter, MD; Howard Bailey, MD*

2:55 Refreshment Break

#### Session 3. Current Suggestions for Superficial and Muscle Invasive Bladder Cancer

3:20 Continent Diversions and Neobladders  
*John A. Libertino, MD*

4:00 Robotic Cystectomy: Advancing the Standard of Care for Bladder Cancer Patients  
*Jason R. Gee, MD*

4:20 Neoadjuvant and Adjuvant Chemotherapy - Are We Making Progress?  
*Glenn Liu, MD*

4:40 Panel Discussion  
Moderator: *Jason R. Gee, MD*  
Panel: *John Libertino, MD; John Wegenke, MD; Timothy Moon, MD; Glenn Liu, MD*

5:25 Adjourn

6:00 Cocktail Reception

#### Session 4. Dinner Program

7:00 Dinner

7:15 History - JFK at Lahey Clinic  
*John A. Libertino, MD*

8:30 Adjourn

# GENERAL INFORMATION

**Date:** October 17, 2008

**Place:** The Fluno Center  
601 University Avenue  
Madison, WI 53715  
Telephone: (608) 441-7117  
FAX: (608) 441-7133

## PARKING

A 290-stall parking facility is conveniently located beneath the Fluno Center. The University of Wisconsin managed garage is available for **\$8.00** per day. There is also a city of Madison parking ramp located on North Lake Street.

## CONFERENCE FEES

**Lectures Only**..... \$200

**Lectures and Dinner Program**..... \$225

**Lectures, Dinner Program and 1 guest for dinner** ..... \$250

## CREDIT

### Accreditation Statement

The University of Wisconsin School of Medicine and Public Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit Designation Statement

The University of Wisconsin School of Medicine and Public Health designates this educational activity for a maximum of 7 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Continuing Education Units

The University of Wisconsin-Madison, as a member of the University Continuing Education Association (UCEA), authorizes this program for .7 continuing education units (CEUs) or 7 hours.

### Conference Completion Report

You will be mailed a completion report 4-6 weeks after the conference.

### Policy on Faculty and Sponsor Disclosure

As a sponsor accredited by the ACCME, it is the policy of the University of Wisconsin School of Medicine and Public to require the disclosure of the existence of any significant financial interest or any other relationship a faculty member or a sponsor has with either the commercial supporter(s) of this activity or the manufacturer(s) of any commercial product(s) discussed in an educational presentation. Detailed disclosure will be made in the course handout materials.

### Elements of Competence:

This activity has been designed to address the general competencies of patient care and medical knowledge.
