## Provider Relations Program

We created the UW Health Provider Relations Program to meet the needs of medical professionals and the patients they serve. Our team is available to assist when you or your staff need to access UW Health resources. We understand that good communication is vital to the co-management of your patients. Please feel free to contact us if you need assistance.

**Lori Klitzke**  
*Program Manager, Provider Relations*  
(608) 263-8013  
lklitzke@uwhealth.org

*Lori serves as an advocate for you and is available to:*

- Assist with navigation of UW Health system
- Assist with referral coordination, communication and access issues across all inpatient and outpatient specialties
- Share information about UW Health providers, specialty clinics and procedures
- Assist with problems and complaint resolution

### Physician liaisons

*Our physician liaisons work with you, our community-based providers, to make sure we understand your needs and are available to help serve you and your patients. We are able to:*

- Meet with you to share new physicians, services, clinical trials and upcoming UW Health events
- Arrange for you to meet with our specialists in your facility at your convenience
- Schedule educational programs, including CME lectures, webinars and Tumor Board presentations
- Provide assistance in resolving service-related issues
